Attached is a revised briefing schedule for the OL Planning Conference to be held 5 and 6 October. Per a request by the EO/OL, a one-and-one-half-hour block has been added for "New Initiatives." During this period each Division and Staff Chief will have an opportunity to address the new initiatives being planned in their respective organizations for the coming year. Addition of the "New Initiatives" block has necessitated minor adjustments to the briefing schedule. Any questions regarding the revised schedule may be directed to [redacted] extension [redacted]
